

A New System of Medicine.

The Carlisle Democrat reports the following case, tried at the last Cumberland County Quarter Sessions:

Commonwealth vs. Dr. Waggoner.—This was a very amusing case, the doctor being indicted for obtaining money under false pretences, by the following "cute" stratagem in the healing art, played off upon his patient. He told his patient, who was consumptive, evidently pretty far gone, that he could, by invoking the assistance of the Holy Spirit and three private interviews, cure him, or he (the doctor) would have no share with God, which the patient was credulous enough to believe, and granted the doctor the first interview, whereupon the doctor asked for a black thread, measured the sick man's arm and side, then requested some salt and bread, and a small piece of the old gentleman's shirt tail, which were all produced, when the doctor, in a manner very sanctimonious, or to use the expression made use of by the old Dutch witness, in a way which "St. Paulus" would have done had he been on earth, stood the panacea in the waist-band of the man's breeches, and told him now to prevent every cent of money he had in the world, which modest request was also complied with, the doctor deliberately selecting first a two dollar note, then a five, telling his patient that a five dollar note was better than a two, and then selected two gold dollars and some silver, amounting in all to twelve dollars and twenty-five cents, asking his very dutiful patient to make choice between these two propositions: "to continue in bad health, or wish the selected money to pass out of his sight." Health was of course wished for, and the doctor pocketed the dust to get it out of the man's sight; and to do this more effectually he thought it advisable to leave for parts unknown. This arrant old villain escaped upon legal grounds.—The court telling the jury in their charge that the offence as laid and proved did not come within the Act of Assembly, and that in this land of liberty a man had a perfect right to make choice of any one of the various systems of medicine now practiced, and that if he was gullible enough to adopt the salt, bread and shirt-tail system, he ought to pay for it. The jury brought in a verdict of not guilty.

A Hog for the World's Fair.—The Milwaukee Daily Sentinel says: "A monster hog, weighing eleven hundred and nine pounds, was lately shipped on board the steamer Arctic, on his way to the World's Fair at New York. He was purchased by Messrs. R. Bugg & R. Stewart, of Niagara Co. N. Y., for \$200, from Mr. Hollister B. Thayer, of Troy, Walworth County, Wis. His actual measurement was as follows: Girth behind the shoulder 6 feet 7 inches; extreme length, 9 feet 11 inches; height to top of the back, 3 feet 10 inches. He was perfectly white, and only twenty months old. The hind wheels of the wagon were taken off, when the animal walked off of his own accord on board the boat, and laid down on deck contented. The owners are confident of making him weigh eighteen hundred pounds when fattened, live weight. This is one of the specimens Wisconsin sends to the World's Fair; it will be hard to beat."

Important Temperance Move.

The Grand Lodge of Odd Fellows of this State, recently assembled at Philadelphia, passed the following telling resolution, with but eight dissenting votes in the whole body:

Resolved, That any member of a subordinate lodge, under the jurisdiction of the Grand Lodge of the I. O. O. F. of the State of Pennsylvania, who shall keep a tippling shop, or in other words, an unlicensed house for sale of intoxicating liquors, in violation of the laws of the State, shall be formally proceeded against, and if found guilty, shall be expelled.

The Order now numbers upwards of thirty-four thousand strong in Pennsylvania, and if this resolution be sustained—and from the known character of Odd Fellowship, we see no reason why it will not be carried out to the letter—it will have a powerful tendency toward the uprooting of the strong holds of King Alcohol.—*Milwaukee Journal.*

POISONING.

Thousands of Parents who use Vernifuge composed of Castor Oil, Calomel, &c., are not aware, that while they appear to benefit the patient, they are actually laying the foundations for a series of diseases, such as salivation, loss of sight, weakness, of limbs, &c. In another column will be found the advertisement of HOBENSACK'S Medicines, to which we ask the attention of all directly interested in their own as well as their Children's health. In Liver Complaints and all disorders arising from those of a bilious type, should make use of the only genuine medicine, HOBENSACK'S Liver Pills.

"Be not deceived," but ask for HOBENSACK'S Worm Syrup and Liver Pills, and observe that each has the signature of the Proprietor, J. N. HOBENSACK, as none else are genuine.

These Pills possess a specific action on the nervous system; and, although they are prepared especially for the purpose of curing Fits, they will be found of especial benefit for all persons afflicted with weak nerves, or whose nervous system has been prostrated or shattered from any cause whatever. In chronic complaints, or diseases of long standing, superinduced by nervousness, they are exceedingly beneficial.

DR. J. LANTZ, DENTIST.

Has permanently located himself in Stroudsburg, and moved his office next door to Dr. S. Walton, and nearly opposite S. Melick's Jewelry store, where he is fully prepared to treat the natural teeth, and also to insert incorruptible artificial teeth on pivot and plate, in the latest and most improved manner. Most persons know the danger and folly of trusting their work to the ignorant as well as the traveling dentist. It matters not how much experience a person may have, he is liable to have some failures out of a number of cases, and if the dentist lives at a distance, it is frequently put off until it is too late to save the tooth or teeth as it may be, otherwise the inconvenience and trouble of going so far.—Hence the necessity of obtaining the services of a dentist near home. All work warranted. April 28, 1853.

\$500 CHALLENGE.

Whatever concerns the happiness and health of a people at all times of the most valuable importance. I take it for granted that every person will do all in their power to save the lives of their children, and every person will endeavor to promote the health of all.

I have a duty to perform, and I am happy to see that the opinion of the celebrated Physicians are the primary cause of a large majority of diseases to which children and adults are liable; if you have an appetite continually changeable from one kind of food to another, Bad Breath, Pain in the Stomach, Pinking at the Nose, Hardness and Fullness at the Belly, Dry Cough, Slow Fever, Base Irregular—remember that all these denote worms, and you should at once apply the remedy.—

Hobensack's Worm Syrup.

An article founded upon Scientific Principles, compounded with purely vegetable substances, being perfectly safe when taken, and can be given to the most tender Infant with decided beneficial effect, where *Bowel Complaints and Diarrhea* have made them weak and debilitated, the Tonic properties of my Worm Syrup such that it stands with, out an equal in the catalogue of medicines, in giving tone and strength to the Stomach which makes it an infallible remedy for those afflicted with Dropsy, the astonishing cures performed by this Syrup after Physicians have failed, is the best evidence of its superior efficacy over all others.

The Tape Worm!

This is the most difficult Worm to destroy of all the infest the human system.—It grows to an almost indefinite length. becoming so coiled and fastened in the Intestines and Stomach affecting the health so sadly as to cause St. Vitus Dance, Fits, &c. that those afflicted seldom if ever suspect that it is *Tape Worm* hastening them to an early grave. In order to destroy this Worm a very energetic treatment must be pursued. It would therefore be proper to take 6 or 8 of my Liver Pills so as to remove all obstructions, that the Worm Syrup may act direct upon the Worm which must be taken in doses of 1 Table spoon's full 3 times a day, these directions followed, have never been known to fail in curing the most obstinate case of Tape Worm.

Hobensack's Liver Pills.

No part of man is more liable to disease than the Liver, it serving as a filter to purify the food, or giving the proper secretion to the bile; so that any wrong action of the Liver affects the other important parts of the system, and results variously, in Liver Complaint, Jaundice, Dyspepsia, &c.—We should, therefore, watch every symptom that might indicate a wrong action of the Liver. These Pills being composed of *Roots and Plants* furnished by nature to heal the sick. Namely 1st, An *Expectorant*, which augments the secretion from the Pulmonary membrane, or promotes the discharge of secreted matter. 2d, An *Alterative*, which charges in some explicable and insensible manner, the certain morbid action of the system. 3d, A Tonic, which gives tone and strength to the nervous system, removing health and vigor to all parts of the body. 4th, A Cathartic, which acts in perfect harmony with the other ingredients, and operating on the Bowels, and expelling the whole mass of corrupt and vitiated matter, and purifying the Blood, which destroys disease and restores health.

To Females.

You will find these Pills an invaluable medicine in many complaints to which you are subject. In obstructions either total or partial, they have been found of inestimable benefit, restoring their fractional arrangement, and to a healthy action, purifying the blood and other fluids so effectually to put to flight all complaints which may arise from female irregularities, as head ache, giddiness, dimness of sight, pain in the side, back &c.

None genuine unless signed J. N. Hobensack, and others being base imitations. Agents wishing new supplies, and Store Keepers wishing to become Agents, must address the Proprietor J. N. Hobensack, No. 120 N. Second st., Phila., Pa.

What can be got for Five Dollars!!

The undersigned have entered into an arrangement by which they agree to furnish the Knickerbocker Magazine, (monthly,) the Home Journal, (weekly,) and the Musical World and Times, (weekly,) to new subscribers, at the very moderate price of five dollars a year for the three publications; all orders, enclosing that amount to Dyer & Willis, will be promptly attended to.

Grand Literary and Artistic Combination.

Arrangements have been made to furnish the KNICKERBOCKER MAGAZINE, the HOME JOURNAL, and the NEW YORK MUSICAL WORLD AND TIMES, to new subscribers, for five dollars a year! This is cheap literature, with a vengeance. The Knickerbocker is \$3 per annum; the Home Journal, \$2; and the Musical World and Times, \$3; making \$8 a year at the usual rates. That three such works can be obtained for five dollars a year, is a fact truly worthy the Caloric age, which is just now being ushered in. Of the Knickerbocker Magazine, edited by Lewis Gaylord Clark, it is unnecessary to speak.—For twenty years it has been the most general, humorous, and spicy "monthly" in the world; and the present volume will be better than any which preceded it. The Home Journal, edited by Geo. P. Morris, and N. P. Willis, is well known as the best family newspaper in America; and the Musical World and Times, edited by Richard Storrs Willis, with Lowell Mason, Geo. H. Curtis, Thomas Hastings, Wm. P. Bradbury, Geo. F. Root, and other musical writers contributing; and which gives, among other things, over \$25 worth of music and a full course of instruction in harmony annually, is the very best musical journal ever published. These three publications will post a family up in regard to nearly everything worth knowing:—Art, Science, Literature, Music, Painting, Sculpture, Inventions, Discoveries; Wit, Humor, and Sentiment; the Newest Fashions, and selections for Ladies; Choice Criticisms of the Church, and of the Performances; and, in short, everything that can be given to the family. Amuse yourself, and amuse your family, and happier, more useful, and happier, for five dollars. Address, Dyer & Willis, 257 Broadway.

By sending the above three times, enclosing the papers containing it to Dyer & Willis, you will receive the three works named, for one year.

and all other articles in his line of business, which he will dispose of upon very reasonable terms.

Work made to order at the shortest notice. His materials will be of the best quality, and as he employs none but good workmen, he hopes to receive a liberal share of public patronage.

His motto is "quick sales and small profits."
